AFAS Software B.V.

Scope for certificate 2016-003

The scope of this ISO/IEC 27001:2013 certification is as follows:

The scope of the Information Security Management system is limited to the availability of the latest version of AFAS Profit and related software including interconnections with third parties comprising (semi) public authorities and banks, through the AFAS online service.

Specifically **excluded** from the scope are:

People: All employees that are not part of AFAS IT department

Process: Testing of software

Physical security: The physical security of the servers has been transferred to AFAS's hosting provider

Technology: Software Development and AFAS Profit

The Information Security Management System is centrally managed out of Leusden, The Netherlands. The scope mentioned above applies to the following location:

Inspiratielaan 1, Leusden, The Netherlands

The Information Security Management System mentioned in the above scope is restricted as defined in "the Quality Manual on AFAS InSite", dated February 15, 2021.

This scope is only valid in connection with certificate 2016-003.
